Senior General Vo Nguyen Giap: Military Genius or ...

Conclusion(s) or Recommendation(s): Giap's genius resides in his firm grasp of strategy, specifically revolutionary war or "people's war", as Giap prefers to call it Giap's strategy of revolutionary war totally integrated two principal forms of force—armed force and political force, military dau tranh and political dau tranh Their

Trevor N. Dupuy Colonel, US Army 1916 - 1995

Factor in War by Trevor N Dupuy The Debate It has become evident to many military theorists that technology has become increasingly important in war In fact (even though many soldiers would not like to admit it) most such theorists believe that technology has actually reduced the significance of the human factor in war In other words,

The Military Maxims of Napoleon

The genius of this kind of war consists in occupying camps either on the flank or the rear of the enemy, So as to leave him no alternative but to

withdraw from his position without fighting; and to move him farther back, or to make him come out and attack you In mountain war the attacking party acts

On War: Is Clausewitz Still Relevant?

On War: Is Clausewitz Still Relevant? JOHN E SHEPHARD, JR Carl von Clausewitz occupies a position of well-deserved prominence in the small pantheon of Western military theorists He bequeathed to us, in his unfinished masterpiece *On War*, a trove of provocative ideas, many of which retain remarkable contemporary value
